

HEIGHT SAFETY CHECKLIST

ANSWERING THE BELOW WILL ASSIST IN ENSURING YOU AND YOUR WORK MATES ARE SAFELY WORKING AT HEIGHTS.

1 HAVE YOU SUCCESSFULLY COMPLETED A WORKING SAFELY AT HEIGHTS COURSE?

If not, all users of HSE (height safety equipment) shall be assessed as competent as per requirement under AS/NZS1891.4

2 IS YOUR HARNESS AND LANYARD MORE THAN 10 YEARS OLD?

If so, remove from service.

3 DO YOU GET YOUR HARNESS AND LANYARD INSPECTED EVERY SIX MONTHS?

If not, a recorded inspection by a height safety equipment inspector is to be conducted as per AS/NZS1891.4 every six months.

4 DO YOU PERFORM DAILY BEFORE USE INSPECTIONS?

If not, create a habit of doing so. The benefits far outweigh potential implications!
